

**OZONO AND Cedroline**

THE new, non-falling and infallible combined treatment for the human hair, OZONO and CEDROLINE, used jointly, cannot fail to lend to the hair length, lustre, life and beauty. One year ago the directors of the BOSTON CHEMICAL CO., with the sole purpose and intention to produce an absolutely perfect and reliable treatment for the hair, appropriated the sum of \$5000 for this purpose alone. The services of three of the world's most noted chemists were secured, who, after twelve months of investigation and costly experiments, have successfully formulated a treatment so potent and powerful, yet so harmless and innocent, that its immediate effects upon the hair border upon the miraculous. This treatment can be used in all faith and confidence, as it is certain to produce results most gratifying, causing the hair to grow long and luxuriant, straight, and of a most delicate and pliable texture. It prevents the tendency of the hair to draw up, contract, curl, and tangle, thus making it easy to dress the hair in any style desired. It causes the hair to grow out on all bald spots, scald patches, thin places, and bare temples. It is sure to prevent the hair from falling, breaking off, and splitting at the ends. This great treatment is now the most wonderful remedy for the hair in the whole world.

The most generous offer ever made by any firm on earth. Cut out this advertisement, and send to us, with only \$1.50, and immediately upon receipt of same, we will send to you a full and complete treatment, consisting of two extra large bottles of OZONO, king of all Hair Tonics, worth \$2.00; also two large bottles of CEDROLINE, the lightning Hair Grower, worth \$2.00; also one large package of our latest discovery, POWDERED EGG SHAMPOO, worth 50c; also one bar of our celebrated and renowned PURITY SOAP, worth 25c, and one bottle package of ANTI-DANDRUFF, the most wonderful toilet specialty of the day, worth 25c. This grand collection, worth in all \$5.00, will be sent on receipt of \$1.50 and your name and address, with full, plain, and complete directions, together with our beautiful Souvenir Catalogue, just called the toilet educator of the day.

NOTE:—To all who have ever bought OZONO we will send this great bargain offer for only \$1.00. Your word will be sufficient. Simply tell us when and where you bought it. This liberal offer is made with the object of securing good Agents, who can simply earn money selling our preparations. No matter where you live, we can get our goods safely to you. ## THE LATEST JOKES

WITTICISMS GROUND OUT BY THE FUNNY MEN.

Why Henry Thought He Was in a Prohibition State—Forgetful Husband Brought to Time by Familiar Sound—Why He Was Pleased.

Another Trap.

"Say, Jimmy," greeted the tall crook, "I heard yer had a scheme to escape capture by putting on automobile goggles and passing as a chauffeur. Did it work?"

"Naw," blurted his pal, "soon as I started out as a chauffeur dey arrested me and gave me thirty days for running over somebody two or three years ago."

A Busy Day.

Hallit—What's the matter, Klay? You look all tired out!

Klay—And no wonder. I've had a hard day of it. I don't know when I've worked so hard. I looked at the men clean up the railroad station this morning, and after that I saw three safes raised into four-story windows, and four loads of coal delivered in baskets.

Good Fortune.

"Some people are so lucky. There are the Minglewoods with six daughters and always in such straitened circumstances trying to keep up appearances."

"And how have they been lucky?"

"Why, no less than four of their daughters have made secret marriages at no expense to anybody."

She Was Innocent.

"I don't like that girl from town," remarked the postmistress at Radish Corner.

"Why not?" asked Mrs. Prune.

"Well, she had the audacity to write on a postal card: 'To the Postmistress: You are a rubberneck for reading my postal cards.' Just if I read them!"

Another Testimonial.

"Yes, Bad Bill was well pleased with your hair tonic," drawled Amber Pete. "He gave it a trial and it raised hair first-rate."

"But Bad Bill is still bald," said the agent.

"Oh, he didn't try it on his head, pard, he tried it on his bear-skin breeches."

Revised Version.

"Never put off till to-morrow the things you can do to-day," remarked the man with the chronic quotation habit.

"That axiom's moth-eaten," rejoined the up-to-date specimen of hustling humanity. "What's the matter with doing them yesterday and resting to-day?"

Fastidious.

"You look tired, grandma."

"Yes, there was a tramp here begging for a pair of shoes. After ransacking the house for an hour I found a pair, and guess what he said."

"What, grandma?"

"He said he was from Boston and wore only buttoned shoes."

Why He Was Pleased.

Railroad Magnate—"The idea of your being interested in that young dude dropping an apple peeling to see what letter it would form. Thought you were against sentiment."

Trust Magnate—"That was no sentiment; every time it formed a \$ mark."

In the Merry Suburbs.

Suburban Druggist—I have just placed an order for two gross of plaster.

City Friend—What did you order so many for?

Suburban Druggist—For the backs of amateur gardeners.

From Bad to Worse.

"Here's some doctor in New York advertising the water cure," growled the Kentucky colonel, as he tossed aside his paper in disgust. "Next thing we know some bughouse candidate will be recommending the stuff as a beverage."

It Reminded Him.

Jiggs—What an awful roar!

Enpee—Yes, and by the way, I promised my wife I'd go straight home from the office.

Nothing Against Them.

Promoter—I would like to call your attention, sir, to our latest mechanical device, the Smith roller and crusher.

Investor—Oh, I guess it's all right; there are a good many Smiths, but I'm not interested. I have nothing against them.

Quick Transaction.

"What will you give me for this article?" asked the poet.

"Thirty days," replied the editor, who was also the mayor.
